

Communicating with Families, Carers and Advocates

Easy Read Position Statement

	<p>This document tells you how we communicate with your family, carers and advocates.</p>
	<p>For most of us, families are very important.</p>
	<p>We will always agree with you how best to communicate with your family, carers and advocates.</p>

We will make sure that our communication with you and your family, carers and advocates is always:

- respectful
- in line with our [values](#) and [Code of Conduct](#).

Everyone – you, your family, carers, advocates and our staff and volunteers – should be treated with respect.

Any form of bullying, discrimination (if people are treated unfairly) or disrespect is not right.

We will **not** accept any form of abuse, including any abuse towards our staff.
